WELCOME TO MARNEVALL

We invite you to learn more about us. Since the very beginning, Marnevall has always been an independent Hungarian company specialized in the production and sale of frozen breaded, fully cooked, ready-to-eat meat products.

The success of the company is also largely due to the **highly qualified people** in the firm and the carefully selected **quality of the raw materials**.

It is significant for us to act as a conscious company on the market which can provide an example for our partners, customers and competitor as well. **Our company's goals based on the optional price-value ratio, innovation, forward-looking product solution, food safety and environmentally conscious production.**

For many years, our plants have **fully automatized** state-of-the-art production lines, producing our products in large quantities. Our company insist on producing **at the highest European quality standards**.

Marnevall is a market leader company in the Hungarian food industry with a presence in more than 15 countries worldwide.

Partnerships are based on mutual benefits are very important for us. **We are dedicated to keep on growing with new products, brands, machines and unflinching passion.**
